ABOUT ME

Born in Maine I was surrounded by a bunch of characters and so I became one myself. I am a passionate animator and proud graduate from Full Sail University with a bachelors in computer animation. Full Sail helped me become skilled in modeling, compositing, motion capture, and animation. I've spent some time freelancing but I'm ready to make the leap and join your team!

EDUCATION

York High School
Full Sail University, Winter Park, FL — Bachelors in Computer Animation, 2017
